## Test Verification of Conformity

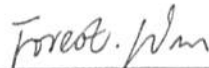

On the basis of the referenced test report(s), sample(s) of the below product have been found to comply with the harmonized standards and Directives listed on this verification at the time the tests were carried out. Other standards and Directives may be relevant to the product.

Once all product relevant  mark directives are verified in compliance, the manufacturer may indicate compliance by signing a Declaration of Conformity themselves and applying the mark to product identical to the test sample(s) if the product complies with all relevant CE mark Directives requirements.

Applicant Name & Address:	
Product Description:	Air cleaner
Ratings and Principle Characteristics:	220-240 V, 50/60 Hz, 40W or 70W or 90W, depending on motor type and UV light, Class I (detail information refer to General product information)
Models:	 Guardian Air, F159B, F159D, F159E
Brand name:	 Aerus, BEYOND BY AERUS (detail information refer to General product information)
Relevant Standards/ Specifications/Directives:	EN 60335-1:2012 Household and similar electrical appliances – Safety – Part 1: General requirements EN 60335-2-65:2003 + A1:2008 + C1: 2004 + A11:2012 Household and similar electrical appliances – Safety – Part 2-65: Particular requirements for air-cleaning appliances EN 62233:2008 Measurement methods for electromagnetic fields of household appliances and similar apparatus with regard to human exposure
Verification Issuing Office:	Low Voltage Directive 2006/95/EC Same as Legal Entity
Date of Tests:	November 14, 2013 – December 24, 2013
Test Report Number(s):	131114009GZU-002

This verification is part of the full test report(s) and should be read in conjunction with them.
